

# **SPONSOR LETTER** **OF RECOMMENDATION**

Due March 31, 2019

Please write a letter of recommendation to the Parish on behalf of your candidate. Some things to include in the letter are: how long you have known each other, your relationship to the candidate, service that he/she has done, growth in his/her faith, and your approval of your candidate to be confirmed in the Catholic Faith. Please write about things that are unique about the person you are sponsoring. The letters will be displayed at St. Peter the Fisherman Parish in the Gathering Space several weeks before the date of Confirmation. These letters mean something to the students and not having theirs displayed is disappointing to them and their Parents. Please be prompt with this task. Afterwards, the letter will be given to the student as a memento of Confirmation.

The letters can be written on any type of stationary, either by hand or computer.

**Please send your letter to: St. Peter the Fisherman Parish**

Dear Parishioners of St. Peter the Fisherman,

It is an honor to be the sponsor of Dorothy Green. Being her aunt, I have known Dorothy throughout her life. Dorothy has always been full of life and joy. She likes to fish and ski, and is very inquisitive. She seems to always search into the meaning of things. The other day we were talking and she was wondering if Adam and Eve had bellybuttons. I thought, "That sure is an interesting question!"

In preparing for Confirmation Dorothy continues to grow closer to Christ. So far we have had some good discussions on different topics of the Catholic Faith such as the difference between the Apostles' and Nicene Creeds, the origins of the Bible, the upcoming elections, why we do what we do at Mass, how her faith applies to his relationship with her boyfriend, Christopher, and what it would be like to go fishing with Jesus.

When we get together for our monthly meetings, in preparation for Confirmation, we always pray the Our Father together and then pray for special intentions. One of our favorite places to meet is at Starbucks for coffee. You can't go wrong with a latte and a discussion about our beautiful Catholic faith!

In closing, I am very thankful to be Dorothy's sponsor for this unrepeatable Sacrament in her life.  
**I recommend Dorothy Green** to be Confirmed in the Catholic Faith.

Sincerely,

**(PLEASE SIGN YOUR LETTER)**
